Dan, should this letter be addressed to the CM or to David Gajda?

Kerry,

Could you let me know when I can expect the BID letter/package for the support of the alley gating. Leron from the Chamber told me that if the BID supported it and I got him a copy of the letter, they would too.

Also, I got the marketing postcards from the BID today. What a great campaign. Are you selling these, I would buy some extras to give out to perspective tenants, I'm sure other people would too.

Dave
